Mishicot celebrated Christmas In The Village Dec. 3. Crowds gathered around town to visit and support local businesses while they participated in a tree hop basket giveaway.

Live music was performed at the Mishicot Historical Museum from the high school's Soundwave group, and a full vendor hall was at Holy Cross Parish center, where visitors were all given free goodie bags.

This annual event is always a great opportunity for both local businesses and residents to experience all Mishicot has to offer during the holiday season.

• The Mishicot Lions Club toy drive is wrapping up for the season. Donations will be picked up from boxes at local businesses Dec. 12. The collected toys, games and books will then be distributed to children in the area who are in need.

Local businesses participating in the drive are Eis Implement, Fox Hills Resort, Cenex Convenience Store, Country Visions Country Store, Main Street Coffee Haus & Bistro, and Bank First National.

• The Village of Mishicot has installed a new digital sign outside the village hall on Main Street.

The new signage denotes both the village municipal building and the police department, with a large digital screen below that can be used to advertise upcoming events and important information

Make sure to take a look the next time you're downtown.

• As a reminder: All news submissions for this column need to be received no later than a week in advance of the desired publication date to ensure timely inclusion in the article.

• The Mishicot Senior Nutrition Site menu for the week of Dec. 12 is: Monday, barbecue meatballs, brown rice, Brussels sprouts, mandarin oranges, dessert; Wednesday, spaghetti with meat sauce, steamed cauliflower, applesauce, dessert; Friday, holiday party, holiday ham, scalloped potatoes, green beans, freshly-baked roll, crème de menthe torte.
